Dear Sir,

We undertake to observe the following do's & don'ts during the currency of audit.

DO'S AND DON'TS FOR CONCURRENT AUDITORS

Do's

The Inspecting Concurrent Auditors should

1. Carry out Pre-inspection study of the branch by going through the auditee related off site surveillance reports and pre requisite documents.
2. Prepare proper audit plan based on 1 above.
3. Maintain utmost secrecy with regard to inspection program and its findings.
4. Display team spirit and avoid misunderstandings / arguments in the presence of auditees.
5. Commence inspection of the branch before commencement of business hours to verify the physical cash, security arrangement etc.
6. Act in a normal friendly fashion and help to improve normal working of the branch.
7. Discuss his findings with branch officials on daily basis and try to rectify the defects then and there itself.
8. Give auditees a chance to express their opinion while discussing the issues. Getting proper explanation in a co-operative atmosphere will save precious time.
9. First discuss with the leader of his team in case of difference of opinion with auditee. Further discussion with head of Regional Audit Office / Zonal Audit Office level if required, may be made. Besides, discussion if required with CGM (A&ID) can also be made for guidance / instruction.
10. Report the matter to the leader of the team immediately if the inspecting officer comes across any information which causes him to suspect any element of fraud, gross negligence, gross incompetence or similar unfavorable actions or tendencies.
11. Ensure the members of the team keep continuous dialogue with the leader of the team on important findings and be guided by his advice.
12. Maintain a neat appearance and courteous manners.
13. Do release report of the audit by 10th of succeeding month as new process is a time bound programme.
14. Do attend the branch for audit work as per the schedules referred in the appointment letter.

Don'ts:

1. Auditor need not act overly reserved or unfriendly in order to maintain his independence as an inspecting officer. A forbidding attitude on his part may well cause others to adopt the same attitude towards him. This can adversely affect the work entrusted to the inspecting officer.
2. Auditor should not get involved in heated argument with auditee.
3. Auditor should not give orders to auditee and seek requirements from the officer assigned to assist him on a particular job. The concerned officer would issue the necessary orders to their employees if he accepts inspector's suggestions and recommendations.
